Assunto: LNG/C Cool Rider - Agency Appointment - Paranagua ETA 11-Jun-2025 (TBC)

Good day,

We would like to appoint your company for the forthcoming call of the LNG Carrier Cool Rider at Paranagua ETA 11-June-2025 (TBC), **for Owners Matters only.**

Vessel will receive Bunkers which shall be arranged by Charterers' nominated Agency.

The Master of Cool Rider will keep you updated on vessel's ETA and provide all required pre-arrival documentation.

Services

You will be contacted by relevant parties with regards to services (spares / stores / Vetting Inspectors / service engineers) to be rendered to the ship.

We will revert with instructions and details for the planned services once are finalized.

Regarding potential crew changes, you are kindly requested to issue analytical cost breakdown for each Crew member, individually, given that cost will be covered by different entities.

With regards to the Crew Changes, you will be contacted directly by our Marine Personnel Department.

Please ensure that the launches used for Crew changes (if any) are manned with at least 2 persons.

Proforma & Prefunding

Please advise whether you require prefunding once you have been contacted about services to be rendered to the ship for Owners.

If yes, please submit your PDA /Proforma charges in response to this appointment message so that they are timely entered in our system for processing.

After you have furnished us with an analytical cost breakdown, you will be contacted by our Disbursements Department for settlement.
