TO : Hellenic Star Shipping Company S.A.
CC : GCL Marine Solutions
FM : Sultrade Shipping Agency

Dear Mrs. Dimitra Maniati, good day!

Referring to delivery of spare parts, please find below instructions to dispatch it by air-freight:

AWB SHOULD BE CONSIGNED, AS FOLLOWS:
To The Master of M/V "SEA BIRD"
c/o SULTRADE AGENCIAMENTOS MARITIMOS LTDA
RUA ANDRADE NEVES, 161
RIO GRANDE - RS - BRAZIL
CEP [ZIP CODE] 96200-140
CNPJ [VAT] NR: 10.432.546/0001-75
PHONE NR: +55 53 32353500
AOH: +55 53 999711280 FLAVIO G. VELLOSO
+55 53 999756901 VINICIUS FERNANDES

All Spare parts documents (Original Commercial Invoice, Packing List and AWB) must be clearly marked as "SPARE PARTS IN TRANSIT" & "TREATMENT TC-7 REQUIRED"

In case of wooden boxes/pallets/skids, it is mandatory to have wooden parts stamped to meet International IPPC regulations in the wooden parts, as otherwise cargo MAY BE REJECTED by Environmental Authority/Agri Dept, and we, ordered to ship it back.

Please make sure your expeditors/forwarders do follow above and below procedures in order to avoid possible problems with Agri/Customs Authorities in Brazil.

IT'S MANDATORY TO HAVE THE PROPER FUMIGATION CERTIFICATE ISSUED OR THE IPPC STAMP (SAMPLES AS BELOW ILLUSTRATED), OTHERWISE SHIPMENT WILL BE RETURNED TO ORIGIN.

XX represents the ISO country code.
000 represents the unique number assigned by the national plant protection organization.
YY represents either HT for heat treatment or MB for methyl bromide fumigation.

Below are samples of stamps on wooden pallets used in international shipping that indicate them to be in compliance to ISPM 15 rules.

IT'S ALSO MANDATORY INCLUDE BELOW INFORMATION ON AWB, BY CHOOSING WHICH ONE APPLIES:

- **Wooden Packing: Processed Wood;**
- **Wooden Packing: Treated and Certified;**
- **Wooden Packing: Not Applicable**

- AWB: Original must follow the consignment, same must include all above instructions. Airfreight to be pre-paid, otherwise same is not classified in transit and local taxes apply;

- Commercial invoice: Original duly signed/stamped must follow the consignment;

- Packing list: Original must follow the consignment and its MANDATORY to have included detailed weight/size for each item separately.

Copies of all documents, as soon as available (including AWB Draft) should be sent to us for checking prior to shipment.

Clearance and delivery time required
For clearance at Airport require at least 2-3 days.

CLOSEST INTERNATIONAL AIRPORT IS SAO LUIS AIRPORT (IATA CODE: SLZ). Case your forwarders have any difficulties in arranging flights to SAO LUIS (SLZ) then the option to ship spares would be to Sao Paulo Int'l Airport (IATA CODE: GRU). Road bonded transfer from GRU AIPORT to ITAQUI PORT will be required on a sealed dedicated transport [approx. 3011 km to reach ITAQUI] and prices are much higher.

Best regards

Anaue Rodrigues (Mr)
