Carlos,

We refer to your initial email.

First of all, we'd like to thank your office and **our OPA** for both your efforts to assist in vessel's sailing the soonest possible.

you have to understand that Owners/vessel are under no obligation to accept any amendment to port docs, i.e SOF especially after it was reviewed, approved and signed by all relevant parties.

Pls consider if the situation was the other way around and Owners would like to revise the SOF on their favor, but it was already signed by Master – imagine the resistance that we would face and the end result (surely a denial).

That been said and after we have reviewed the revised SOF, Owners are willing on a without prejudice basis, to accept bss stating only the facts as reflected below:

08-09-2025 15:00 Pilot On Board

08-09-2025 15:15 Last Line Off

08-09-2025 16:06 Pilot Away

08-09-2025 16:36 Anchored (Awaiting Port State Control for Clear Deficiency)

09-09-2025 10:15 Port State Control given Clearance for Vessel Departure

09-09-2025 10:54 Anchors Aweigh

08-09-2025 11:18 COSP

10-09-2025 07:00 Next Port ETA

Pls be guided and send revised SOF bss above amendments for Master's signature
