Dear Mr Umit,

Good day!

Yours duly noted.

Attached PDA as requested. Also enclosed guide for superintendent.

Please note that Turkish citizens don't require Consular VISAS for entry admittance to Brazil. Although superintendent will come on a business travel, it will be required access to port facilities and the vessel, a pre-clearance for him will be needed. On his arrival at the Brazilian airport, Superintendent must declare to the attending Immigration Officer that he's not a tourist, **but on a BUSINESS TRIP**, otherwise, we will not be able to arrange his entry clearance to access the port.

Your passport MUST be stamped with business code 102/03.

Remain at your services.

Subject: M/V ETRA DIAMOND-ARRANGEMENT FOR SHIP VISIT

Dear Rafael, Good day.

On behalf of Maryam Shipmanagement, I would like to inform you that M/V *Etra Diamond* will be taken under our management as of 08 October. I am planning to visit the vessel, which is currently at the anchorage area.

We have already booked my flight arriving at Salgado Filho International Airport on 07 October at 14:35. I am a Turkish citizen, and as from my several previous visits, I am aware that no visa is required for me and I am familiar with the country's entry procedures. A copy of my passport is attached herewith.

Based on the above details, I kindly request you to arrange:

-Necessary formalities for my vessel visit.

-Transportation from airport to port, and from port to anchorage area,

(If hotel accommodation will be required, I will inform you separately.)

Please also provide quotation for above services. As my travel is scheduled shortly, kindly note that all colleagues copied in this email are authorized to receive and approve quotation.

Thank you very much in advance for your kind cooperation and assistance.

Best regards
