Dear Sotiriou Filotheos,
Good day.

Yours below is duly noted. Please find below as requested:

- Can delivery of provisions take place alongside by truck? Only by barge
- If not, have any arrangements been made for stores/spares to be delivered to the vessel? For consolidation. Please note that no services have been scheduled yet.
- Is the supply cannot happen alongside by truck and cannot be consolidated with other stores and spares, please advise the barge costs. Depending of the order, subject of weight and quantity analysis.
- What are the latest prospects for the subject vessel? Please be informed that the vessel has not yet been announced in the Madre de Deus Terminal line-up.
- What is the scheduled time of delivery for coordination of supply? Please note that no services have been scheduled yet.

We remain at your disposal.
