Dear Sultrade Team good day,

Please note that our managed vessel M/V TON HIL II under her Chtrts Messrs Cargill will be calling Paranagua for loading grains in bulk

Vessel's ETA Paranagua P/S is on/abt 10/11/2025 agw wp uce wog

Chtrts official port agents are

TBA

Please let us know where does customary the cargo holds inspection take place.

Kindly be in liaise with our Master RIC re the cargo holds preparation as well as arrange for a surveyor of yours to attend in the pre-inspection
And/or official cargo holds inspection and assist him for the positive outcome

I would appreciate if you could update us on a daily basis re berthing prospects and relevant line-up.

Our individual Dpts RIC will revert with their requirements

Kindly revert with your appointment acceptance confirmation

Best Regards
