Our 3 on-signers are of Polish, Filipino, and Russian nationalities, respectively.

Our 2 off-signers are of Filipino nationality.

Please find attached the relevant Passports, Seaman's books, and SID Cards of the 5 gents in question (SID Card pending for the two 3/Os, not available for Polish on-signer).

Reverting soon with the necessary flight details / tickets.

In the meantime:

- * Please advise whether launch boat service will be required.
- * Please advise whether there are any restrictions and / or requirements, as regards to Crew Changes, Nationalities, Visa, and COVID-19.
- * Please advise the nearest airport we can use.
- * Please revert with your full-style address in case we have a mail parcel to be sent on board during our crew change.
- * Please revert with your PDA with the first opportunity.
- * Additionally, please clearly separate Crew related expenses apart from Technical, Owners, Superintendents etc. in FDA. DA desk appointment will be submitted asap.

Our intention is to have all 3 on-signers embarking directly upon the vessel's arrival / berthing, so we will be bringing them to Manaus before the vessel's ETA.

Moreover, the off-signing 3/O shall disembark a few hours after the embarkation of the on-signers, as only a limited time of handover would be required.

On the contrary, the off-signing Master shall disembark after the discharging operation completion, as late as possible before the vessel's departure, to accommodate maximum handover time.

A more detailed embarkation – disembarkation will be provided once their flights are in place.

General instructions:

- * Usage of public transport such as shared cars / minivans, buses, or trains, is encouraged whenever possible. Usage of taxis shall be minimized whenever possible. Optimal and cost-effective transportation organization is expected from the agents.
- * In case of flights arriving / departing around the same time, the crew shall be required to wait at the airports. No single transfers to be arranged unless of long interval times.
- * Hotel accommodation shall be avoided, but, if necessary, to be arranged in 2-3*** hotels. Officers can be accommodated in single rooms, Ratings should be combined in double rooms.
- * Combining launch boats for crew changes with stores, technicians, provision etc. deliveries is required.
- * We would highly appreciate the assistance of the local agents to secure optimum means of transportation at most competitive prices and provide the solutions how to minimize the costs locally.
- * In case of any last-minute changes pertaining the requirements/regulations of local Immigration, Health Authorities and/or any other Government Body that may affect/delay/disrupt the planned crew change at the designated port of call, kindly inform immediately the responsible Crewing Superintendent by phone & email.

Looking forward on any further instructions / suggestions from your side.

Dear Aubrey (ric),

Please be so kind to revert with the SID Cards of 3/O Abapo and 3/O Damaso with the first opportunity.

Best regards,

Theos Theologou
