**Assunto:** ST9085 - MV STAR GROTON @ SANTOS - V.02 - BERTHING PROSPECTS

Dear Gilvan,  
Good day

Please be advised that Star Groton will most likely load again at Santos after present discharging completion.

Next Charterers are Cargill and cargo is sugar.

Could you please advise if you are able to assist Master with vessel's loading , cargo holds preparation / inspection etc.  
Official appointment will follow via Harbor Lab in due course.

Also, would be appreciated to check her next berthing prospects. Master (ric) will revert with load port agent details.

Regards,

Capt. Thanasis Katsikis
