Dear Prodromitis Nikos
Good day!

Your message well noted,

Thank you for your message. We wish you a Happy New Year to you and all team.

For your reference, please note:

Travelling document recognized by Brazil are only the Passports (which have to be valid for at least more 6 months of the traveller's entrance to Brazil). SBooks and SIDs are only good to prove a seafarer's working condition, and that he is either entering or departing the country in connection to a vessel at a certain port.

Crew from signatory countries of ILO C-185 that maintain agreements with Brazil for VISA exemption (case of BOSNIA, CROATIA, FRANCE, GEORGIA, HUNGARY, MOLDOVA, MONTENEGRO, SPAIN, **THE PHILIPPINES**, amongst others), will be required Passport and the SID to access the country (for a period of 180 days). In case these Nationals are not in possession of SID, the SBook will be required and only a 90 days stay will be granted.

EMBARKING:

- Copy of Passport; Sb
- SID
- Flight e-ticket;

DISEMBARKING:

- Copy of Passport; Sb
- SID

- Flight e-ticket;

NEAREST AIRPORT: REC, (RECIFE AIRPORT)

It's important to highlight that each Brazilian port has its own interpretation on the Health Authority rules in force, meaning that all above instructions/requests can be changed anytime without any pre advise. Sultrade is aware to keep you posted immediately in case of any further changes on the above.

Reverting with berthing prospect soonest.
Keeping you informed.

Best Regards,
