Husbandry/Owners**Remarks: -****Message**

Dear Sirs,

We are the subject vessel's Managers **Iblea Ship Management Ltd.**, and would like to appoint you as the vessel's supervisory agents to attend to owners' matters during the vessel's forthcoming call.

Time charterers' agents are:

Oswaldo Pereira Cotrim Junior

Operations

Phone: +55 13 99615-5699

operations-sts@fertimport.com.br

We would be grateful if you could provide us with the following information to have a depiction of the vessel's prospects/operation while at your port:

Your full style/address, telex, phone, fax numbers, and email address.

Person in charge and after-office hours phone in case of emergency.

Please insert in the HARBOR LAB platform the itemized breakdown of proforma disbursements based on the vessel's details provided herein. It is a pre-condition for advancing funds that you indicate the method of computing the vessel's dues as per the current tariff

Availability and cost per ton of fresh water.

Whether watchmen are compulsory or recommended.

Whether garbage service is compulsory or provided on the master's request. If not compulsory, please advise the cost for garbage disposal.

Whether shore facilities are available for collection of sludge and bilge/oily water and the cost.

EGCS (SCRUBBERS): The vessel is equipped with an open-loop EGCS (scrubber).

Please confirm that the operation of open-loop scrubbers is permitted in the port and in the waterways leading to the port.

Please advise the clarity condition of the water in the waterway leading to the port and in the port itself, specifically if it is muddy.

Draft/air draft restriction and water density.

Description and quantity of cargo to be loaded.

Berthing completion prospects.

Whether cargo operations will be performed using the ship's gear or shore equipment.

Special regulations or documentary requirements of which master/we should be aware in advance.

Please advise whether charterers have arranged for bunkers to be supplied to the vessel at your port, and if so, quantities/grades.

In case of bunkering, the Master will retain samples (1-2 bottles, 300 ml each). Please arrange for delivery to 'BV' for analysis, advising cost.

ISPS: Please confirm if the port facility has an approved security assessment and provide the port facility security officer's contact details and current Security Level.

Should authorities raise conditions or make any recommendations to the ship, please contact this office prior to making any arrangements.
