Dear Ms. Alexandra, good day!

Yours below is duly noted with thanks. We confirm that Romanian & Filipino crew change can be arranged at Santarém port and please find attached our PDA with expected costs involved on the crew change.

Immigration rules being applied at this moment are:

Travelling document recognized by Brazil is only the Passports (which has to be valid for at least 6 more months of the traveler's first entry to Brazil). SBooks and SIDs are only good to prove a seafarer's working condition, and that he is either entering or departing the country in connection to a vessel, at a certain port.

Crew from signatory countries of ILO C-185 that maintain agreements with Brazil for VISA exemption (**case of THE PHILIPPINES** , amongst others), will be required Passport and the SID to access the country (for a period of 180 days). In case these Nationals are not in possession of SID, the SBook will be required and only a 90 day stay will be granted.

Crew from signatory countries of ILO C-108 that maintain agreements with Brazil for VISA exemption (**case of ROMANIA** , amongst others), will be required Passport and the SBook to access the country (for a period of 90 days).

Please find below documents/requirements to embark and disembark crew at Santarém port:

EMBARKING:

- Passport, SID (if available) and Seaman's book;
- Flights tickets.

DISEMBARKING:

- Passport, SID (if available) and Seaman's book;
- Flights tickets.

Kindly be informed that the nearest airport is SANTAREM airport (**IATA CODE: STM**). For on-signers flight arrangements, we suggest arranging flights with **at least 3 hours between international and domestic flight** so that they have sufficient time for Immigration procedures and avoid any problems upon arrival in Brazil.

It's important to highlight that each Brazilian port has its own interpretation on the Health Authority rules in force, meaning that all above instructions can be changed anytime without any pre advise. Sultrade is aware to keep you posted immediately in case of any further changes on the above instructions.

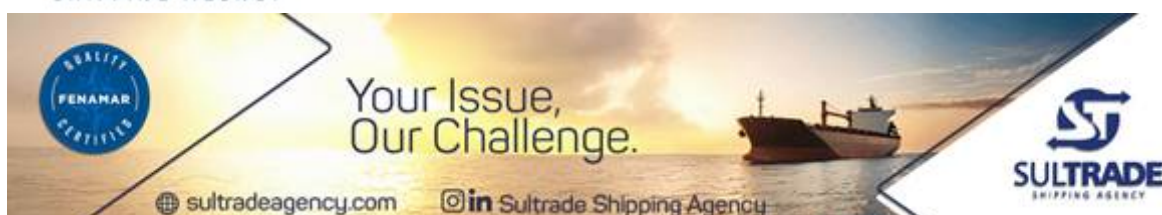

Reverting with berthing prospects for her once made available, also informing if necessary to arrange boat for embarkation.

Pls don't hesitate in contacting this office, case you require any further information.

Best regards,

Arvellos Rodrigo

Dear Mr Flavio good day,

Please note there is a possibility for our MV ORIONI under time charter to call Brazilian port for cargo operations (intention if fixed Santarem port).

We kindly request you to advise if crew changes for Romanian nationality (off signer) and Filipino nationality (on signer) can be arranged, documents required and relative expenses.

By this opportunity, kindly accept our warmest wishes for **Happy and Prosperous New Year!!!**

Thanks & Best Regards
Alexandra
