Dear Mr. Agent,

Be so kind as to pick up the VLSFO bunker samples (bunkering already completed) at Madre de Deus Oil Terminal PP4 and please send them for analysis as requested.

Please choose the more economical way of transportation from the vessel.

Many thanks for your understanding and assistance.

Dear Master,

Good day!

We refer to the subject matter and kindly ask you whether VLSFO and FOAM samples may be disembarked together with off-signing crew, in order to avoid additional transportation costs for collecting them on board.

Kindly confirm so that we may coordinate this scope accordingly.

Pleased to hear.
