RE: MV ELONA - AT PARANAGUA, LOADING SOYA BEANS IN BULK- ETA 12.02.2026  
=====

Dear Mrs Rozaki, Good day.

Please note that MV ELONA has been scheduled to load bulk soybean cargo at the Port of Paranagua, Brazil.

We would appreciate instructing Messrs' Sultrade's local office in Paranagua to revert with availability and confirmation to act on our behalf during her call for loading operations.
