Good day,

Kindly note that the subject vessel will be calling Rio Grande, Brazil ETA o/a 23/02/2025 for loading operations of her Time Charterers.

You are hereby appointed to attend the vessel as Owners Protective Agents.

For the sake of good order, please provide us with your full PDA for the subject call (including apart from your agency fees all usual husbandry matters such as handling fees, clearance and other costs related to spares handling and time to be delivered on vessel, cost for garbage etc.). Additionally, please include information for CTM delivery (e.g. charges, how many days prior to the CTM delivery onboard you wish the remittance to be made, your full bank details) as well as how many days required for spare part clearance.

You are kindly requested to coordinate with various parties and departments and arrange everything in a smooth and efficient manner.

All goods must be dispatched on board with one boat trip of proper volume in order to avoid delays and additional expenses.

Kindly provide the Master with all necessary information that might be needed to ensure a smooth call.

Master reading this in copy please be guided accordingly and provide agents your exact ETA on daily basis.

Important: Pls share all your email IDs that you intend to use during the course of this call so that we can whitelist them in vessel's email system. Pls note that unregistered emails cannot be delivered to the vessel.

Please confirm safe receipt and confirm attendance.

Capt.Dombrovskiy Ivan
Master / MV Skyros
