Please let us know where does customary the cargo holds inspection take place.

Moreover if the free pratique is normally granted by radio enroute or alongside after physical inspection.

The reason of the said inquiry is to let us know if crew members and/or supirintendents can disembark at waiting anchorage

I would appreciate if you could update us on a daily basis re berthing prospects and relevant line-up.

Our individual Dpts RIC will revert with their requirements

Kindly revert with your appointment acceptance confirmation

Best Regards
