For flight arrangements, we suggest to arrange flights with at least 4 hours between airport to vessel and vice versa, in order to have sufficient time for Immigration procedures and avoid any problems. FYG, note that the port entry permission can only be applied after vessel's berthing, **and must be done only during authorities working time from 08h00 to 21h00 lt.**

Crew Changes at Santos port are allowed only at BERTH (crew change are NOT allowed at anchorage area).

If vessel delays her berthing, no outer roads permission is granted by the port authorities, strictly due to safety reasons

For your guidance, the vessel has not yet been announced at Santos Port. If the Master already has the Charterers' agent contact details, kindly share them with us so we may initiate prospecting.
