Important: Any use of launch boats must be pre-approved by Marlow Navigation. Costs for launch boats arranged without prior approval will not be reimbursed.

Additionally, please ensure that any changes to the vessel schedule are reported to us both by email and phone, particularly in the event of a delay (berthing / unberthing). This is especially crucial if the crew change falls over a weekend or national holiday, when emails may not be monitored regularly. Please make every effort to keep us informed in such situations.
