Dear Ramesh
Good day

Please note that the price provided did not include inspection.

The price was only for plugging.

In case inspection is needed Our standard rate for a non-class hull inspection at Suape is USD 6,900. However, considering that both services would be carried out simultaneously, we are pleased to offer a discounted additional rate of USD 1,800 for the inspection.

Please note that this special rate is only applicable if the plugging service is confirmed together.

Awaiting your feedback.

The prices at this port are extremely high due to the location.
