Dear Sirs, good day.

For the service in regards to the access at anchorage, we are putting our crew agent @Sultrade - Operations Dept. on the loop.

Team Sultrade, please.
Be informed there is a technician/inspector requested by owner to access vessel at anchorage. For your reference, his CPF is 968256187-68 and he hasn't local port access valid with port authority. Then, are you able to please provide all the details related to the petition/process to the owner?

Best regards,

Dear Feliphe

Since the ETB is not yet confirmed, would it be possible for the inspector to board the vessel at the anchorage?
If so, please provide your quotation for our review.
