Dear Guilherme, gd day!

Kindly be informed that we have 3 cleaners on board of MV Green K-Max 5 which we would like to disembark in Santos, no assistance will be required at Sao Paulo airport.

They are Ukrainian, holding biometric passport and seaman book which you will find attached.

Pls advise if you can assist with:

- sign-off formalities
- airport transfer
- hotel accommodation (if required)

I appreciate to receive a cost breakdown and what is included in the costs.

We are currently checking for flights for them, kindly adv latest ETB/D to coordinate it.

Pleased to hear you can assist.

Brgds
