Re: MV DIMITRA M // SANTOS - GRAINS
Date: 13th May 2026

Dear All
Good morning,

Further to the last cooperation with your good company, please note that another managed vessel MV DIMITRA M (Kamsarmax), is expected to call the port of Santos on abt the 2nd June, for loading a grain cargo (TBC).

Kindly note that the vessel is freshly off DD with her holds fully treated, with only one cargo of limestone after same. In view of this, we would like to appoint your good agency as Owners' protective agent, particularly to provide remote guidance to the vessel regarding the holds preparation among other matters that may be requested by other departments of our company.

Awaiting your confirmation for proceeding accordingly.

Thank you

Kind Regards
Nakis Nikolaos
