Dear Sirs,

Kindly be advised that our vessel Navios Venus is expected to arrive at Sepetiba for discharging cargo, and we would like to appoint you as our protecting agents for all Owners' matters during this call, as well as to assist and protect the vessel against any issues that may arise throughout her port stay.

ETA: 27/06/2026 agw wp

In addition, we would appreciate your kind assistance in providing the following information for our Master's guidance and preparation:

1) Cargo Operations
- Prospects, port congestion and available line-up
- Means of cargo handling (shore cranes, vessel's gear, loaders, etc.)

2) Port Approach & Restrictions
- Draft and airdraft restrictions (incl. water density at berth/anchorage)
- Special restrictions for approach channel and anchorage areas
- Any tidal limitations or daylight-only navigation requirements

3) Environmental & Regulatory Requirements
- ECA boundaries applicable to the area
- Regulations for disposal/handling of treated sewage and grey water
- Any additional local environmental restrictions (ballast water, garbage, etc.)

4) Port Facilities & Services
- Availability of fresh water supply at berth/anchorage and bunkering facilities
- Waste reception facilities (slops, sludge, garbage) and if any permission is required beforehand

5) Crew Welfare/ Shore Facilities
- It is important that you inform our Master of any shore facility / crew welfare available at this port

6)Other Information
- Any local port requirements, customs/immigration procedures, or restrictions we should be aware of.

Please confirm acceptance of appointment and revert with your good proforma D/A.

Thank you and Best Regards,

Paraskevi Taktikou.
