Dear Capt. Thanasis Katsikis, good day.

In addition to ours below, please find attached our SAILING PDA regarding above mentioned vessel's call at Itaqui port. This document consolidates all vessel expenses recorded for this port call, reflecting a "close to real" account based on current information. Any additional expenses that may arise later, in connection with the FDA, will be duly covered and supported by the required documentation

Our accounting department will revert with relevant FDA in due time.

Thanks and best regards,

Arvellos Rodrigo
