Dear Mr. Mauricio, good day.

In addition to ours below, kindly find attached our PDA with the estimated costs for disembarkation at Fazendinha anchorage. Considering you wish to disembark crew using the same boat of surveyors for holds pre-inspection, the 03 Ukrainian cleaners shall be disembarked at Fazendinha anchorage, where the holds inspection shall take place prior vessel sailing to Santana port.

Travelling document recognized by Brazil is only the Passports (which has to be valid for at least 6 more moths of the traveler's first entry to Brazil). SBooks and SIDs are only good to prove a seafarer´s working condition, and that he is either entering or departing the country in connection to a vessel at a certain port.

Crew from signatory countries of ILO C-108 that maintain agreements with Brazil for VISA exemption (case of **UKRAINE**, amongst others), will be required Passport and the SBook to access the country (for a period of 90 days).

Furthermore, kindly note hereunder documents which will be requested to disembark at **Macapa** port:

DISEMBARKING:
- Passport, and Seaman's book;
- Flights tickets;

NEAREST AIRPORT: MCP AIRPORT (MACAPA AIRPORT)

Kindly find below vessel' schedule at Santana port:

BERTHING PROSPECTS:

TERMINAL : SANTANA PORT - PÍER 01
CARGO/OPS : LOAD SBS ABT 50,000.000 MT
ETA FAZENDINHA : JUNE 19TH, 2026 AT 0600HRS LT AGW WP
ETB : JUNE 30TH, 2026 AM AGW WP
