RE: MV NEA ELPIS // REACHY INTERNATIONAL (HK) Co. LIMITED - CP DATED 01 JULY 2026- TO LOAD HARMLESS GRAINS IN BULK FROM BRAZIL TO CHINA - OPA APPOINTMENT

The subject vessel has been fixed on period time charter to m/s “REACHY INTERNATIONAL (HK) Co. LIMITED" to load grains/grain products only in bulk from Brazil to China. Charterers have not yet confirmed the loading port, but have requested the Master to provide ETA Paranagua, Rio Grande and Santos.

The vessel has sailed from Singapore on 30.06.2026, and is presently en-route to Brazil, with ETA to Paranagua or Rio Grande or Santos on 30.07.2026 . The Master is requested to keep you fully advised with updated ETA and any other developments.

You are kindly instructed to attend as OPA as per usual, keeping both our offices fully informed with prospects for berthing, loading etc.
The Master will confirm discharging port as well as Charterers' Agent, once this info becomes available.

Known requirements at the moment:

- Greek crew replacement, will revert with details once finalized
- one spare part consignment ex-USA (KVH antenna), out IT or Technical department will revert with the details
- Fresh Provisions supply
- Appoint Cargo surveyors, to quote for the following cargo services on Owners’ account:

1. Conduct initial and final draft surveys to determine the quantity of cargo loaded.
2. Monitor cargo loading operations to verify the condition of the cargo. Any unsound cargo should be rejected and replaced.
3. Seal the hatches of the cargo holds upon completion of loading.
4. Issue a full loading report, including all findings with color photographs (to be sent by email only—no hard copies required).

Owners will revert with their thoughts and nomination once the loading port is confirmed.

If any new arrangement comes up though, you'll be notified promptly.
