Dear Ms. Katerina Kontoleon and all.

Good day !!!

Please find below terms and conditions by the K9 team attendance:

Standard Inspection Fee: The rates for an onboard inspection of up to 6 hours is USD 1,210.00 at Santos port and USD 1,310.00 at Rio de Janeiro port.
1. Additional Hours (Vessel Delays)
In the event of operational delays after the team has boarded:

- 1.1. Hourly Overtime: From the 7th to the 11th hour, an additional rate of USD 200.00 per hour will apply.
- 1.2. After 11th hour the k9 team enter stand-by mode and sign off until further notice.

2. Stand-by Policy
If the team is dismissed after boarded the vessel, but requested to remain at the port on stand-by (awaiting clearance, weather, or vessel operation), the following charges apply:

- First 24 hours: USD 450.00 (Includes accommodation, meals, and team compensation).
- 24 to 48 hours: USD 300.00 (Includes accommodation, meals, and team compensation).
- Total Stand-by (up to 48h): USD 750.00.

3. Demobilization and Remobilization
For operational and logistical reasons, the team will be demobilized if the waiting period exceeds 48 hours after leaving the vessel.

- Remobilization Fee: A charge for new inspection (USD 1,210.00) will apply for the team to return to the port and proceed with the inspection.

Note: The stand-by period is designed to ensure team availability and operational efficiency. The remobilization fee applies only after the established stand-by period has concluded.

As you probably are aware, usually no extra charges are involved for containers vessels attendance as no significant delays occur as usually happen with bulk carriers.

Awaiting you final approval / confirmation. Many thanks.

B.Rgds
