Subject: Agent Coordination - Silver Hannah - Manaus - 22 of July - Provisions

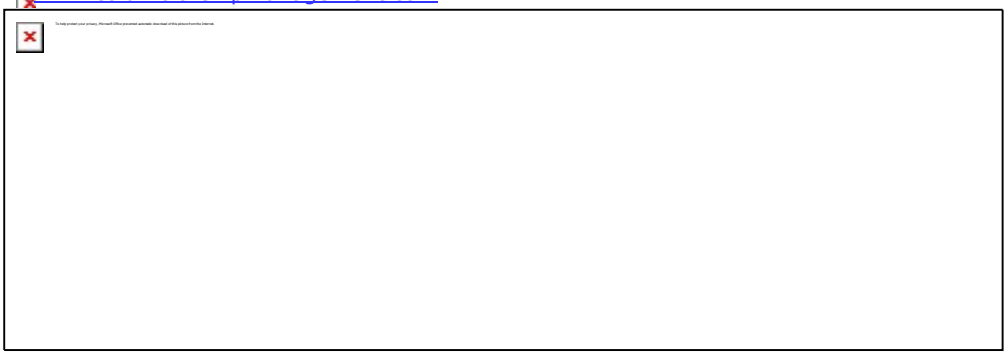

Dear Douglas,
Good day,

You will soon be approached by a colleague of mine on a separate correspondence regarding the delivery of a mail parcel on board Silver Hannah during this Manaus call on 22/07.
MCTC (ric) wish to arrange provisions' delivery as well at this call.
Please combine the 2 services on the same launch to minimize costs.
The mail parcel in question will only be an A4/A3 envelope comprised of documentation only.

Best regards,

Theos Theologou
